A note giving details of advice of Dr. Koenigsberger, G.A., who has now resigned, is put up. He was recently given the grade equivalent to that of a S.E. (800-50-1000) and even previously he was permitted to earn by private practice as a special case. G.A. have indeed been generous in his case. But he expects perhaps still better pay & prospects. His resignation may perhaps be accepted.

has worked as an Asst. Architect but for some time

Final Note by the Minister for Public Works.

Subject.— Resignation by Dr. Koenigsberger, Government Architect and consequential arrangements.

Dr. Koenigsberger joined service as Government Architect on 14th April 1939 under an agreement for a period of six years and was given the grade of Rs. 450-50/2-800. This period expired on 13th April 1945 and on his representation that he may either be given a permanent office or a higher pay, Government were pleased to sanction a grade pay of Rs. 800-50-1000 from 14th April 1945 with a prospect of a permanent appointment (subject to extension of term by one year at a time by the Government of India as long as such a course would continue).

He submitted a resignation letter on 13th November 1945 expressing his inability to continue in service on account of personal reasons mainly connected with his family abroad. The matter was discussed at a meeting of the Council held on 17th December 1945 and the following resolution was passed:—

I submit herewith a Final Note by the Minister for Public Works on the subject of the resignation of Dr. Koenigsberger, Government Architect, and consequential arrangements. It is understood that Dr. Koenigsberger has expressed a wish to be relieved by about the end of January 1946. The Chief Engineer for Roads and Buildings is of opinion that this would give him time to give final touches to some of the schemes which he has prepared. This need not, however, prevent Mr. Krumbiegel from entering upon his duties forthwith as Consulting Architect. I solicit His Highness's gracious sanction to these arrangements.

Dear Mr. Bapat,

I am herewith enclosing for your personal information a copy of my letter of resignation from Mysore Government Service which I have sent to the Dewan this morning.

I would have preferred to discuss this matter personally with you, before writing to the Dewan. Unfortunately I missed seeing you yesterday, before you left for Mysore. I shall however come to Mysore to-morrow night and shall call on you day-after, when I hope to find you on the way to a quick recovery.

Please believe my assurance that the period of collaboration with you and of working under your kind guidance belonged to the happiest times of my service in Mysore. It is this fact which makes my leaving even more difficult for me than it would have been before you became Chief Engineer. However, I do not see any other way.

I shall, of-course, continue to work until you can make convenient arrangements for my heading over charge without harm to our many projects. Meanwhile I shall be grateful if you can kindly recommend to the Government to accept my resignation.

Yours sincerely,

Otto Koenigsberger

Dear Sir,

Re: Resignation from Government Service

It was with great happiness that, only a few months ago, I received the confirmation of my appointment as permanent officer in Mysore. The greater in my disappointment that a personal reason had been connected with my family abroad caused me to transfer my resignation.

I shall be grateful if the Government of Mysore will kindly relieve me of my duties as Government Architect as soon as the necessary arrangements for the continuation of the work of my office can be made, and if the Government will kindly permit me to avail myself of whatever privilege leave I have earned during my past service.

I deeply regret to leave a place where, during more than six and a half years, I have found most stimulating work, great kindness, collaboration and help, and where I am just now, in the middle of promising new tasks. Circumstances beyond my control force me to take this step.

Please accept my personal thanks for the help and kind guidance which you have given me all through these years.
